ADOBE SOFTWARE

DO YOU HAVE ACCESS TO ADOBE FOR SOFTWARE WORKSHOPS?

- You must be enrolled in one of the listed courses to access Adobe Software.

  Check the current course list via this link to ensure access: jactech.com.au/overview-of-maps-workshops/

- If you aren't enrolled in at least one of these courses, your student login will not open Adobe Software at home or in UQ labs so you will not be able to use it in a MaPS workshop as is required.

- Please ensure you have Adobe access before attending a software workshop. Unfortunately, MaPs is unable to troubleshoot login issues if you arrive for a software workshop and do not have software access.

- Talk to your course coordinator if you have any further questions about access to Adobe software.

- Access commences Week 1 and ceases at the end of the first examination week.

MaPS - MEDIA AND PRODUCTION SUPPORT

The MaPS team provide production training and support to students and staff in the School of Communication and Arts through workshops, online support and gear loans via Jactech.
